

# ATHLETIC CLUB PROGRESSIVE ORGANIZATION

The annual meeting of the Athletic Club was held on Tuesday last week in the Club Room of the Community Hall with some 18 members present.

President Joe Gutman occupied the chair.

W. P. Pines, secretary of the Club read the financial statement which summed up as follows:

The Athletic Club report that the net profit from risk operations for the season 1932-33 was \$1,976.75. The Gunnars played thirteen local games the gross proceeds of which was \$2,036, with a net to the risk of \$913. Sandy other games brought a profit to the risk of \$88. The official paid admissions to local Gunnar games for this season was over \$260.

A total of \$141.80 was received for skating fees and single admissions but it is pointed out that a large number of children received free skating during the evenings.

In spite of the splendid showing of the risk operations the Club report that it was not possible to close up all the liabilities against the risk but wages and other sundry bills amounting to about \$150 remain unpaid. These will be taken care of early in the coming season.

The total outlay on the risk building and furnishings to date is \$2,012 which amount includes \$219 paid for taxes as part of the purchase price of the barn. Wages of \$621 and lumber and other supplies amounting to \$173 are included in this amount.

The club wishes to thank all those who in any way have contributed to the success of the undertaking either by donations, work or otherwise.

Mr. Pines was given a hearty vote of thanks by the assembled members for his business like way of looking after the financial affairs of the club and for his untiring work in securing tickets at the rink for the Gunnar games last winter. He was named to give up his job as secretary but the members thought otherwise and voted him back into his position.

The following are the officers who were re-elected:

President, Joe Gutman.  
Vice-President, Robt. Harrison.  
Secy-Treas, W. P. Pines.  
Director, R. S. McQueen and W. P. Pines.

Owing to the fact that the ice was in the rink in the morning meeting decided that this matter should be attended to before freeze up. It was announced at the meeting that the pipe leading into the rink had been replaced by a much larger one. This would enable the risk attendants to flood much faster than could be done last winter. Connection with the sewer had been made also. This would take care of the water from the melting ice in the spring.

The Athletic Club was everybody to join its membership. They state the more members there are the better it will be for the club. They also say they intend to be a member of this society.

Some insurance is carried on the risk. A number of the members stated the amount carried in this option was not enough. After considerable discussion it was decided to call in an insurance adjuster and find out just what amount should be carried.

Men have various ways of carrying money. Grocers, butchers and millers carry it in a bag. Bankers in clean bills, full length in a peck-stool. Brokers only fold the bill once, doubling the money as it were. The young business man carries it in his vest pocket. Farmers in their inside pockets. A lot of people at the present time carry their money in other people's pockets.

Electrical apparatus for the detection of diphtheria is a new development by scientist.

Reper patients are said to have been greatly benefited by the introduction of fever germs to maintain high temperatures for definite periods.

## SUPT. T. IRVINE TO COMMAND ENTIRE NORTH

Many Gleichien old timers who remember Supt. Tom Irvine, R.C.M.P., now known as Superintendent Irvine, R.C.M.P., will be pleased to learn that he has been placed in command of the entire north territory with headquarters at Ottawa.

"Tom" Irvine, as he was familiarly called, a post several years here, just before the war, at that time holding the rank of sergeant and proved a most efficient and capable officer. The following is taken from an Edmonton paper:

Beyond confirming Ottawa reports, that he was being transferred to Ottawa, Superintendent Irvine declines to comment on his new police assignment. About a year ago, it was announced that headquarters of "G" division would be transferred from Edmonton to Port Simpson. This order was cancelled, however, as the order was rescinded a month later and headquarters were maintained in the Alberta city.

Recently the eastern Arctic posts of the R.C.M.P., known as "C" division, have been administered from Montreal. The Montreal headquarters will be closed and administration of the division will be taken over by Superintendent Irvine.

Supt. Irvine joined the old N. W. M. P. at Calgary 25 years ago and remained there until he was transferred to a 1915 with the R. N. W. M. P. over expeditionary force. While a cadet he was in charge of the Blackfoot reserve in the Gleichen district and early in the war days was registrar of all enemies in southern Alberta.

When he returned from overseas he went to Vancouver where he was in charge of the training of R. C. M. P. recruits. In 1926 he was transferred to Weston, Ontario, returning to Regina as adjutant in the training school and then going to Port Arthur in 1921 during the strike trouble.

He went to Edmonton a year ago to take charge of "G" division.

Supt. Irvine was in charge of the mounted men appearing at the hazy parade in Edmonton last December. During last summer he made an inspection tour covering Mackenzie river and Great Bear Lake.

THE CANADA YEAR BOOK, 1933.

The publication of the 1933 edition of the Canada Year Book is announced by the General Statistics Branch of the Dominion Bureau of Statistics.

The Canada Year Book is the official statistical annual of the Dominion and contains a thoroughly up-to-date account of the natural resources of the Dominion and their development, the history of the country, its institutions as demography, the different branches of production, trade, transportation, finance, education, etc.—in brief a comprehensive study within the limits of a single volume of the social and economic condition of the Dominion.

This new edition has been thoroughly revised throughout and includes in addition chapters on the latest statistics available up to the date of going to press.

The 1933 Canada Year Book extends to over 1,100 pages, dealing with every phase of the national life and more especially with those susceptible of statistical measurement. Attention may be especially directed to the statistical summary of the progress of Canada included in the introductory matter and giving a picture in figures of the remarkable progress which the country has made since the first issue of the Dominion was taken sixty-two years ago in 1871. There will also be found in the introduction a list of the special articles appearing in the various editions of the year book which it has not been possible to reprint in the present volume.

The volume is illustrated by many maps and diagrams and the latest available data is everywhere included. Immigration and trade statistics for the fiscal year 1932-33 and miscellaneous agricultural figures of the 1931 census will be found in the appendix (Continued on another page)

## News Items of Local Interest

E. J. Gachlan, M.P., left Tuesday for Saskatchewan. As a speaker Mr. Gachlan has been in great demand this summer all over the western provinces.

"Rufus", the bloodhound owned by Com. A. Bette was recently run over by a car and killed. This does not necessarily mean that criminals can get away, as there are other ways of catching them.

Pete Dushayne has enlarged the size of his garage which was made necessary by the increase in business. He has remodelled the building, adjoining his garage and moved his office in. In the garage he has torn out the old office to make room for cars.

Sergeant and Mrs. Tomlinson of Red Deer spent a few days in town last week visiting friends. Sergeant Tomlinson was for some years in charge of the R.C.M.P. here before being transferred to Edmonton.

On October 24 Arrowood will again take a vote in the beer question. A. P. Bingle will be the returning officer.

The main canal of the irrigation system, three miles north of town, were it passes the farm home of J. Alford, is undergoing extensive repairs. A gang of men with horses busy cleaning out the ditch and raising the rock walls that face the canal.

The Alton Shuckers reached a new high record in ball when they won over the Crainthorpe Racers by a score of 45-2.

Thanksgiving came a little too late for the local turkey. It was in prime condition. Nevertheless, most families celebrated the day in grand style at the dinner tables with some sort of a roast.

Hugh Beach, son of Mr. and Mrs. H. H. Beach has taken up his position again for this term on the University staff at Edmonton.

Mr. Gornill, Sr., has moved to Calgary where she will in future reside.

T. E. McPherson of Calgary, has taken a position in the Bank of Commerce here in place of Mr. Fox who has been transferred elsewhere.

During the past summer we have been pleased to note a determination on the part of some of our citizens in general, and the ladies in particular, to plant flowers at the local cemetery. This is certainly commendable but there is a sequel to the story. Occasionally people visit the cemetery from other parts of the country and plant these flowers. We say they come from other parts because it is not possible that we have those in our vicinity so low down the scale of humanity that they would steal flowers from the dead. Let no one in future, when the flowers are in bloom, pluck a flower in our cemetery. To steal from the living is bad enough but to steal from the dead multiplies the enormity of the crime.

COMING EVENTS

Oct. 13—Hockey Club meeting in the Bank of Commerce at 8:30 p.m.  
Oct. 15—Ladies' Golf Telephone Tea.  
Oct. 20—Hockey Club dance in the Gleichen Community Hall.  
Oct. 21—U.F.W.A. tea and sale of home cooking at the home of Mrs. B. J. Garland.  
Oct. 27—Laverder tea, by United Church W. A. at the Manse.  
Nov. 6—Annual United Church fowl supper in Com. Hall.  
Nov. 16—Annual meeting, Meadowbrook Hall, dance and supper here.  
Nov. 10—Annual Armistice dance in Gleichen Com. Hall.  
Dec. 2—Annual Xmas bazaar of W. A. United Church.

It takes Leo Michael to get things done. He advertised a list of missing tools that his friends had borrowed and failed to return. He reports some of the articles which included 2 14-inch wrenches have been returned. All of which reminds us of a teacher who asked the pupils "I put five apples in a bag and when I reached home I found only three left. How would I find how many I had lost?" Pupil "I put an 'x' in the Call."

The Gleichen Jewelry Store is no more. Vic Hackett, the proprietor, has packed up and left. It is reported for Peace River. We will now have to go by the radio for the correct time.

Some 25 Legion members and friends of Gleichen attended the Legion dance at Milo last Friday evening given by the members of that district. All report having had a good time.

Mr. and Mrs. Jack Moss and family of Vegreville, spent the holiday in Gleichen at the home of Mr. and Mrs. G. Alford.

Saturday there will be a matinee at 3 p.m. of the picture "State Fair". The evening performance will be at the usual hours.

A good crowd attended the Meadowbrook dance Monday night.

The Midget hockey club staged a card party Tuesday evening and are reported to have done very well financially.

The Ladies Golf Club are holding a Telephone Tea on Friday, October 13. Please keep this date open.

BEWARE OF BEGGARS

The citizens of Gleichen who have a soft spot in their hearts for those tramps and others who appear down on their luck may not know now it, but also come out of ten they are being played for suckers when they "divvy up" dimes and nickles to help "get a hungry man a bite to eat."

Many times in the past we have seen across town tramps and bums who were suffering from intoxication due to inhaling of mixtures ranging all the way from wine called in the parlance of the road, hop-ton, to canned beer, rubbing alcohol, bromine, shoe polish, lemon extract or in fact any commercial concoction that contains sufficient alcohol to give one's system a funny feeling.

Many of the lower class of humanity have deputed the cities for the fresh air and open streets of the country towns where they find the people either more sympathetic or not in the know when it comes to sliding up underworld characters. These unprincipled tramps are making it most embarrassing for the fellow who is down-and-out and trying to go straight in the search of a job, for when a person finds that his hand earned cash is used for illicit and unnatural forms of vice he is not so ready to hand it out to a stranger.

Yes, it is better to give a starving man a sandwich in those days when certain members of the so-called human race are so despicable.

THE PROBLEM OF YOUTH

From the earliest times it appears that the problem of directing young folks in the proper way have engaged the serious attention of reformers and uplifters—and busybodies.

A book on etiquette published in 1880 warning young women of the perils of the waltz and declares that "unmarried ladies should refrain from the waltz altogether, is public and private." It is assumed that married ladies were supposed to be immune to the demoralizing effect.

Every once in a while someone digs up an old newspaper or magazine containing an article which shows light on this tendency to

## MUCH BUILDING ACTIVITY ON INDIAN RESERVE

Much building activity has been in progress during the past summer on the Blackfoot Reserve, which kept a number of Gleichen men busy. A number of residences and barns for the Indians have been erected in various places and a new residence for the farm instructor at South Camp. All these operations have been in charge of E. Gardiner Smith.

At the present time the men are engaged in erecting a house for the R.C.M.P., almost directly opposite the Indian Agents' office. This building when completed will occupy space 36,000 sq. ft. and adjoining it will be the office of the police 23,000 sq. ft. and will contain a couple of cells. The house will have a full basement and be two stories high. This work is in charge of Chas. Thompson.

A half mile straight south of town T. Scott has charged a crew who are building a large hall for the Indians where they will be able to dance or put on any kind of an entertainment they wish. This hall will be 33x77 feet and will contain a full basement. In the basement will be the dining room, equipped with tables, seats, kitchen, stove, etc. The floor will be of cement. The entrance to the hall will be from the east end and will contain dressing rooms and stage. It is expected that work on this building will be completed in three or four weeks.

HOCKEY CLUB  
MEETING  
FRIDAY NIGHT

A very important meeting of the Hockey Club will be held in the Bank on Friday 13th, October, at 8 p.m. The chief business before the meeting will be the election of a coach for the coming season. As the success of the team will depend to a great extent on the qualifications of the coach it is essential that this important matter be given the best consideration.

In order to get the best results a large attendance of players and fans is essential and everybody who is interested in the club should attend this meeting. Criticism of a constructive nature will be welcome, but after the choice of a coach is made street corner bickering will be more harmful than good. Come to the meeting, therefore, and air your views. This will be a splendid opportunity for the town people to show how interested they are in again having a good hockey club.

worry about the young people of the past. The boys and girls of the present generation are likewise causing consternation among the self-appointed guardians of morality.

But, the youngsters of today, in spite of their seeming frivolity, are the sanest, cleanest and most promising crop of future citizens the world has ever seen.

## A REMINDER

A few years ago thousands of Alberta farmers petitioned and worked for the building of Alberta Pool Elevators. As a result the Pool system covers the Province in a close network.

The same reasons which inspired grain growers to ask for the service and protection of this co-operative system of elevators suggest that patronage should continue to be extended to them on a generous scale.

## GOVERNMENT OF THE DOMINION OF CANADA 1933 REFUNDING LOAN

The Dominion of Canada offers for public subscription

**Two-year 3½% Bonds, due 15th October, 1935**

Issue Price: \$9.80 and accrued interest,  
yielding 3.75% to maturity.

**Six-year 4% Bonds, due 15th October, 1939**

Issue Price: \$9.80 and accrued interest,  
yielding 4.13% to maturity.

**Twelve-year 4% Bonds, due 15th October, 1945**

Issue Price: \$9.80 and accrued interest,  
yielding 4.38% to maturity.

Principal payable without charge in lawful money of Canada, at the office of the Minister of Finance and Receiver General of Canada at Ottawa, or at the office of the Assistant Receiver General at Halifax, Saint John, Charlottetown, Montreal, Toronto, Winnipeg, Regina, Calgary or Victoria.

Interest payable half-yearly, 15th April and 15th October, in lawful money of Canada, without charge, at any branch in Canada of any Chartered Bank.

### Denominations

Two-year Bonds, \$1,000  
Six-year Bonds, \$500 and \$1,000  
Twelve-year Bonds, \$100, \$500 and \$1,000

### Cash Subscriptions

Cash subscriptions will be received only for the Six-year 4% Bonds and for the Twelve-year 4% Bonds. All cash subscriptions will be subject to allotment. Following the announcement of the plan of allotment, delivery of interim certificates against payment in full for the bonds allotted will be promptly effected.

### Refunding Subscriptions

Holders of Victory Loan 5½% Bonds due 1st November 1933, after detaching and retaining the coupon due 1st November next, may, for the period during which the subscription lists are open, tender their bonds in lieu of cash on subscriptions for a like par value of bonds in one or more maturities of the new issue and receive allotment in full with prompt delivery. The surrender value of the Victory 5½% Bonds will be as follows:

100% of their par value on subscriptions for the Two-year 3½% Bonds and the Six-year 4% Bonds.  
100½% of their par value on subscriptions for the Twelve-year 4% Bonds if effected on or before 15th October, and 100% of their par value after that date.  
No accrued interest on the new bonds will be charged on refunding subscriptions if effected on or before 15th October. After that date accrued interest from 15th October will be charged.  
Holders will receive in cash the difference between the surrender value of their Victory Bonds and the cost of the bonds of the new issue.

The amount of this Loan is limited to \$285,000,000.

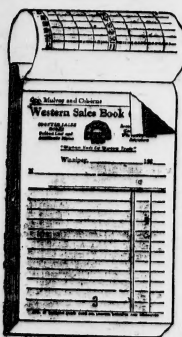

The Loan is authorized under Act of the Parliament of Canada, and both principal and interest are a charge on the Consolidated Revenue Fund of Canada.

The proceeds of this Loan will retire \$189,871,860 Dominion of Canada 5½% Bonds maturing 1st November, 1933, and \$40,000,000 short-term Treasury Bills.

The balance will be used for the general purposes of the Government.  
Subscriptions will be received and receipts issued by any branch in Canada of any Chartered Bank and by Recognized Dealers, from whom may be obtained application forms and copies of the official prospectus containing complete details of the Loan. Applications will not be valid on forms other than those printed by the King's Printer.

The subscription lists will open on 10th October, 1933, and will close on or before 24th October, 1933, with or without notice, at the discretion of the Minister of Finance.

DEPARTMENT OF FINANCE,

## Town & District

The U.F.W. are arranging a tea and sale of home cooking on Saturday afternoon, October 21st, at the home of Mrs E. J. Garland from 3 to 6 p.m. Two lucky prizes will be given.

Great interest was manifested by the local baseball fans in the world series played last week. Those who had the time to spare squatted down by the radio and stayed there until the last play was made. The majority of the fans hoped the series would go the seven games scheduled and were disappointed when the series ended suddenly Saturday. A Calgary man held the lucky ticket in the \$30 sweepstake promoted by the Gunners hockey club.

The road ascending the west side Hammer Hill has been regraded and cut down which makes the going of the high hill much safer. This hill is known as the highest point in this part of the country for a great many miles. On its highest point the geological survey of the Dominion of Canada has erected a cement obelisk.

The Indian Boy Scouts of Old San Seaball played the local Boy Scouts football on Monday afternoon. The Blackfoot lads copped the honors by a 3-0 score. Quite a few spectators were on hand to witness the contest and thoroughly enjoyed the game.

The geese hunters who arise at 4 a.m. are having very good success in bringing down the great fowls. At the present time there are thousands of geese on the river and in larger lakes. Of ducks there are all kinds of them and the hunters meet with varying success owing to the fact that the birds fly high, wide and handsome. Furtriggers are in abundance and in order to bring down these wily birds one has to be on his toe tips every second.

The hockey boys are getting ready for their annual dance, a week from Friday, October 20, to be exact. Some new features will be added to this dance to make it interesting for everyone.

At the last meeting of the Board of Trade the Old Times Ball was thoroughly discussed and the dance decided upon. The date has not been definitely settled but the great social event will take place sometime between November 15th and 30th.

The weather every day last week was simply wonderful, while elsewhere on the continent storms played havoc with property and human lives. The indoor workers beguiled the sun on the outside enjoying the sun. Some of our foremost weather predictors forecast a mild winter and base their conclusions on the present grand Indian summer. All hope these forecasts are right.

Mrs. Jas. Black left last week for Provost to visit her mother, who is leaving shortly on an extended holiday in Scotland.

Miss M. Stubbs, who is attending normal school in Calgary, spent the weekend visiting her parents, Mr. and Mrs. Stubbs of the Queens Hotel.

M and Mrs. Dux James of Calgary spent Thanksgiving in town visiting relatives.

Miss M. Cook, who is teaching in the south country spent Thanksgiving visiting her parents and other relatives here.

Leo Michael gives the following household hint: By holding the ice cube tray under a faucet, the cubes presently dissolving, whenever the water may easily be removed.

(Continued from page 1)  
CANADA YEAR BOOK 1933

As a valuable source of information on Canada, the Year Book will be appreciated by anyone making investigation of national affairs. Owing to the urgent need for economy in the distribution of Government publications, it has become necessary to make a charge to all individuals receiving the Canada Year Book, through free copies will continue to be supplied to Government departments, public libraries and newspapers. Individuals requiring the Year Book may obtain it from the King's Printer, Ottawa, as long as the supply lasts, at the price of \$1.50, which covers merely the cost of paper, printing and binding. By a special concession, however, university students needing the volume in their work, teachers and ministers of religion, may purchase the volume from King's Printer at nominal prices of 50c.
